Time moves forward; with its march we, too, advance. We face the future with mixed emotions--saddened by our departure from Larwill High School, but excited in plans for tomorrow.

We, the Reflector Staff, publish this book as a tangible expression of the numerous activities which have been ours to enjoy and remember. May all those who follow us find limitless pleasure and challenging experiences in high school as we have during the past four years.

We are proud of our large membership this year--62 members. Our sponsor, Mrs. Jerry Halpin, has given us many new ideas for promoting individual participation in our club.

At the first of the year, we had our informal and formal initiations. At each home basketball game, we had a cake raffle to help us financially. This was our first year to sponsor the coronation of the basketball queen; the proceeds were given to the Whitley County Retarded Children's Fund. We had two bake sales.

At our Winter Wonderland Dance, Miss Snowflake and Mr. Frost were elected. Twerp Week preceded our Spring Dance at which we crowned Mr. Irresistible.

This has been a most rewarding year.
